## Here's what has happened in the last few months & what's to come in 2026!

Welcome to our EODS December 2025 newsletter! We are thrilled to share with you the latest news from the last few months.

**We want to take this opportunity to wish you all a very Merry Christmas and a fabulous New Year!**

Since our last news letter in August it's been busy here at EODS.

With the talented Imogen Easton, Paul Collacot and Ryan Jackson at the helm EODSS Singers has launched!

EODS are often asked to perform at events throughout the year including around the Christmas season but on a lot of occasions we haven't been able to commit due to having our own show in November and not having a solid set of well rehearsed songs to bring to the stage/events.

EODS Singers is a brilliant new group that, as of the new year, will be meeting once a month (on the 3<sup>rd</sup> Thursday of each month) at 7.30pm until 10.00pm to learn and polish their material to be ready for any events that they are invited to sing at. EODS Singers will also continue to take part in the Evesham Festival of Words each year and put on their performance at Bengeworth church in June.

We cannot wait to see what they have in store for us!

Our November 2025 show was the fun and exciting, Our House! featuring the music from the 80's band, Madness.

This show was always going to be an incredible challenge with a large cast, an impressive set and some record-breaking quick changes but with Alison Roberts as director, there was never any question, this show was going to be a roaring success with some sell out performances!

The NODA report came in and finished with these words from Chris Davies:

"My congratulations to Alison Roberts and her MD Paul Wood (who led a strong, seven piece band) for bringing Our House to the Evesham stage with such skill and panache. Their well-drilled, committed cast certainly got every bit of energy and emotion out of the show, and the final, post- curtain medley brought the whole thing to a close with a bang, as the audience rose to their feet to go 'One Step Beyond'! Well done, and I look forward to seeing you all again soon."

Shortly after 'Our House' came to an end we held our AGM, which was well attended and we welcomed some new committee members on board.

Our 25 years of musicals directors held their auditions and have successfully chosen a talented cast for our May 2026 show and rehearsals have begun!
